CADTH Reimbursement Review

Feedback on Draft Recommendation

| Stakeholder information | |
|--|---|
| CADTH project number | SR0794 |
| Name of the drug and Indication(s) | Clindamycin plus benzoyl peroxide and adapalene (Cabtreo) For the topical treatment of acne vulgaris in patients 12 years of age and older |
| Organization Providing Feedback | FWG |
| 1. Recommendation revisions Please indicate if the stakeholder requires the expert review committee to reconsider or clarify its recommendation. | |
| Request for Reconsideration | Major revisions: A change in recommendation category or patient population is requested <input type="checkbox"/> |
| | Minor revisions: A change in reimbursement conditions is requested <input type="checkbox"/> |
| No Request for Reconsideration | Editorial revisions: Clarifications in recommendation text are requested <input type="checkbox"/> |
| | No requested revisions <input checked="" type="checkbox"/> |
| 2. Change in recommendation category or conditions Complete this section if major or minor revisions are requested Please identify the specific text from the recommendation and provide a rationale for requesting a change in recommendation. | |
| 3. Clarity of the recommendation Complete this section if editorial revisions are requested for the following elements | |
| a) Recommendation rationale Please provide details regarding the information that requires clarification. | |
| b) Reimbursement conditions and related reasons Please provide details regarding the information that requires clarification. | |
| c) Implementation guidance Please provide high-level details regarding the information that requires clarification. You can provide specific comments in the draft recommendation found in the next section. Additional implementation questions can be raised here. | |

Outstanding Implementation Issues

In the event of a positive draft recommendation, drug programs can request further implementation support from CADTH on topics that cannot be addressed in the reimbursement review (e.g., concerning other drugs, without sufficient evidence to support a recommendation, etc.). Note that outstanding implementation questions can also be posed to the expert committee in Feedback section 4c.

| Algorithm and implementation questions |
|---|
| 1. Please specify sequencing questions or issues that should be addressed by CADTH (oncology only) |
| 1. 2. |
| 2. Please specify other implementation questions or issues that should be addressed by CADTH |
| 1. 2. |
| Support strategy |
| 3. Do you have any preferences or suggestions on how CADTH should address these issues? |
| May include implementation advice panel, evidence review, provisional algorithm (oncology), etc. |
