[1] Refer to Appendix 1 of the Procedure for the CADTH Common Drug Reviewin the Common Drug Review section of www.cadth.ca for details regarding fee schedules.

[2] Please refer to the *Procedure for the CADTH Common Drug Review* in the Common Drug Review section of www.cadth.ca for complete details regarding the CDR process and targeted time frames for key milestones,.

[3] The call for patient group input is posted 20 business days inadvance of the manufacturer's anticipated date of filing the application. Patient groups have a total of 35 business days for prepating and submitting patient input.

[4] The embargoed CDEC recommendation is held in confidence by all stakeholders and not acted upon until after CADTH has issued the notice of *CDEC Final Recommendation* .

[5] The timing for posting the *CDEC Final Recommendation* and CDR review report(s) depends on several factors including the need for consultation with the manufacturer regarding redaction issues.

This CDR Project Status Report is posted every other week, reflecting status as of the end of day Wednesday (4:00 pm ET) of that week.
