[1] Refer to appendix 1, section 2.2.1 of the *Procedure for the CADTH Common Drug Review* (August 2014), in the Common Drug Review section of www.cadth.ca for more details.

[2] The target dates for this report are based on the targeted CDEC meeting schedule, which is posted on www.cadth.ca.

[3] The deadline for patient group input is 15 business days after CADTH receives the submission or up to 35 business days if advance notice (20 business days maximum) of a submission is received from the manufacturer.

[4] Target time is calculated, based on the date the reviewers receive copies of the manufacturer's submission. Target time does not include the time allocated for receipt of manufacturer's additional electronic copies (5 business days) and time allocated for distribution of electronic copies to reviewers (3 business days).

[5] The embargoed CDEC recommendation is held in confidence by all stakeholders and not acted upon until after CADTH has issued the notice of CDEC Final Recommendation.

[6] The target date for posting the *CDEC Final Recommendation* depends on several factors including the need for consultation with the manufacturer regarding redaction issues.

[7] The timing of the posting of the CDR review report(s) depends on several factors, including the need for consultation with the manufacturer in case of disagreement with regard to redactions made.

Refer to the *Procedure for the CADTH Common Drug Review* in the Common Drug Review section of www.cadth.ca for more details about the CDR process.

This CDR Project Status Report is posted every other week, reflecting status as of the end of day Wednesday (4:00 pm ET) of that week.
