

Committee Name: Patient and Community Advisory Committee (PCAC)

Paula Orecklin — Conflict of Interest Disclosure (September 2021)

Paula has been a volunteer with the Rick Hansen Foundation school ambassador program since 2016 and received travel funding and payment for speaking engagements. She also participated in educational lectures and speaking engagements for the George & Fay Yee Centre for Healthcare Innovation and the Manitoba Institute for Patient Safety in 2021. She also volunteers for Patients for Patient Safety Canada, the Winnipeg Regional Health Authority Patient and Family Advisory Committee, and PARC—Promoting Awareness of RSD (or reflex sympathetic dystrophy) and CRPS (or complex regional pain syndrome) in Canada. Paula also serves on committees with HTAi, the Manitoba CRPS Meetup, Manitoba League of Persons with Disabilities, the Winnipeg Regional Health Authority, CancerCare Manitoba, and the Institute for Safe Medication Practices Canada.

Paula was employed by Enabling Access in 2020 as an Accessibility Auditor (independent contractor). She also participated in a workshop with Roche.

Paula is on the spray medication Sativex.
