

Committee Name: Patient and Community Advisory Committee (PCAC)

Zal Press — Conflict of Interest Disclosure (October 2021)

Zal participated in a pharmacare focus group with Manulife. He has received travel funding or payment from the Canadian Medical Association for participating in the CMA Health Summit Series in 2018 and 2019. Zal also received payment as a consultant or advisor from the ODPRN–Ontario Drug Policy Research Network and the Ontario SPOR Support Unit AMS History of Medicine awards.

Zal participated in a speaking engagement at the North American Conference on Integrated Care and was a presenter at the CADTH Symposium in 2019. He co-authored a patient experience journal, is a writer for healthydebate.ca, and participated in an external review of pan-Canadian health organizations in 2017. He was also co-author and workshop presenter in October of 2020 for Patient Commando on the State of Patient Associations in Canada.
