

## pCODR Patient Advocacy Group Conflict of Interest Declarations

Name of registered patient advocacy group: Multiple Myeloma Canada

Name of drug and indication under review: carfilzomib

### Conflict of Interest Declarations

To maintain the objectivity and credibility of the pCODR process, all participants in the pCODR review process must disclose any conflicts of interest. Patient advocacy groups must declare any potential conflicts of interest that may influence or have the appearance of influencing the information submitted. Conflict of interest declaration is requested for transparency – it does not negate or preclude the use of the patient advocacy group input.

Examples of conflicts of interest include, but are not limited to:

- financial support from the pharmaceutical industry e.g., educational or research grants, honoraria, gifts, and salary;
- affiliations or personal or commercial relationships with drug manufacturers or other interest groups.

### Section A: Payment Received

1. Has this patient advocacy group received any payments over the previous two years from any company or organization that may have direct or indirect interest in the drug under review?

- Yes  
 No

If no, please go to Section B

2. What form of payment did this patient advocacy group receive? (Check all that apply.)

- |  |   |
|--|---|
| <input type="checkbox"/> Operating Funds | <input checked="" type="checkbox"/> Program Funding (e.g., website) |
| <input type="checkbox"/> Royalties       | <input checked="" type="checkbox"/> Research/educational grants     |
| <input type="checkbox"/> Gifts           | <input checked="" type="checkbox"/> Sponsorship of Events           |
| <input type="checkbox"/> Honoraria       | <input type="checkbox"/> Other, please specify: _____               |
